This Application for Credit ("Application") is to Sheffield Financial ("Sheffield"). I have read this Application, and everything stated in it is true. I authorize Sheffield to check my credit, employment history, or any other information, and to report such information, and its credit experience with me, to others. I am at least 18 years of age.

I hereby certify that the property purchased pursuant to this Application is for my personal and/or business use; that I am fully responsible for making all payments for such property; that such property will be in my possession or under my control until the amount financed and all finance charges have been paid in full; and that I am not purchasing any property financed through Sheffield for the benefit or use of another without the prior written approval of Sheffield. Truth In Lending Disclosure

ANNUAL PERCENTAGE RATE (APR) for Purchases (Standard Rate) ***	As of 02/01/08, the Standard Rate is 16.80% , which may vary monthly.
DEFAULT RATE	23.99% (Fixed) *
Variable Rate Information	The APRs may vary. The APRs are determined monthly by adding 10.80% to the Prime Rate. **
Grace Period for repayment of the balance of purchases	25 days on new purchases if you have paid your previous balance in full by the due date.
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
MINIMUM MONTHLY FINANCE CHARGE	\$1.00
ANNUAL FEE	NONE
LATE FEE	\$30.00
RETURNED ITEM FEE	\$30.00

*If at any time you fail to pay the Minimum Payment Due on your Account by the Payment Due Date two times in any six consecutive billing periods, the Default Rate (rather than the Standard Rate) will apply to all existing balances on your Account and all new transactions beginning with the first day of the billing period in which you missed your second Payment due Date. Once the Default Rate applies, if you make any required Minimum Payment by the Payment Due Date for six (6) consecutive billing periods, the next Statement you receive will reflect the Standard Rate (rather than the Default Rate) which will apply to all existing balances on your Account and all new transactions beginning with the first day of the billing period reflected on that Statement.

**The Prime Rate used to determine your APR is the most recent Prime Rate published in the "Money Rates" section of The Wall Street Journal on the last business day the month preceding the first day of each billing period. For example, the prime rate used for the billing period beginning July 1st will be that published the last business day in June. The APR is subject to a minimum of 14.99% if the Prime Rate falls below 4.19%.

*** A documentation fee may be applied to your account depending on the purchase being made. The documentation fee constitutes a Finance Charge, which will be added to the purchase balance.
